Come and be a part in building the community
Come to **Agape Art Show!**

Restoring history takes a lot of work:
The plans must be drawn,
Materials-gathered, laborers -hired
You can become a part of restoring history.
Come to **Agape Art Show!!!**

On Ash Wednesday night, February 2004, a devastating fire destroyed most of the previously restored building.

Since that day, First Agape has been actively seeking and collecting funds to restore the historical building with limited expansion for community ministry and bring an expanded place of worship for its members.

This Art Fundraiser brings:

Local painters, jewelers, sculptors, and performers to showcase their original art work for viewing and sale.
